

Introduction to Education Department New Taipei City Government

Education Department, New Taipei City Government.

New Taipei City established the Student Dream Fund, and provides students with free breakfast and lunch to help disadvantaged students go to school with peace of mind.

New Taipei City revitalizes school buildings,
and seeks donated and excess spaces
to increase public kindergartens year by year.

New Taipei City promotes and implements moral education in all stages of learning.

New Taipei City promotes English-language learning, moves towards bilingual courses in schools, and handles international exchange partnerships with foreign sister schools.

New Taipei City cooperates with technical school, vocational schools, and colleges to provide opportunities for students to explore their interests and careers.

These opportunities strengthen cooperation with enterprises and collaboration with foreign schools.

Teachers and students are recommended to partake in industry exchange programs and to participate in foreign technical training and exchange.

New Taipei City promotes experimental education in schools and respects parents' rights of education choice.

**New Taipei City provides safe and healthy meals.
Students are served organic vegetables
every day to take care of students' health
and to promote the development of organic agriculture.**

New Taipei City organizes fun and safe activities
to establish regular exercise habits among students.

New Taipei City promotes smart classrooms in all schools, so that information can be integrated into teaching with the support of high-speed networks. These integrated learning resources allow students to learn online at any time.

New Taipei City implements dropout prevention and resumption counseling through the integration of resources from all parties, including dropout assistance search networks and flexible courses, so that students can find a sense of achievement in learning.
